

REMARKS/ARGUMENTS

Claims

Claims 25-50, 55-58 are pending, and are rejected on the ground of nonstatutory double patenting over claims 51-54 of U.S. Patent No. 7,751,871. The applicants have filed a terminal disclaimer herewith in order to overcome this rejection. Applicants respectfully request that in view of the terminal disclaimer the double patenting rejection should be withdrawn; and the pending claims should be allowed.

Favorable consideration of the application and elected claims is requested.

Respectfully submitted,

Date: 07/16/2010
